CALL FOR APPLICATIONS FOR THE AWARD OF RESEARCH FELLOWSHIPS
Regulation on Research Fellowships pursuant to Italian Law no. 240/2010
Alma Mater Studiorum University of Bologna, issued by Rectoral Decree no. 416 of 19/04/2011

Protocol num. 514 Rep. 129 Fasciculo 5408971 dated 20/03/2020

Art. 1 - Purpose

Applications are invited for the selection running at (structure): DIPARTIMENTO DI SCIENZE POLITICHE E SOCIALI of the Alma Mater Studiorum University of Bologna for the award of 1 grant research fellowship(s), for the execution of research activities within the project entitled “Investigating Polarization in Hybrid Media Systems”, according to the annexed Activity Programme. The call for applications for the research fellowship issued pursuant to the University Regulation issued by Rectoral Decree (D.R.) no. 416 of 19/04/2011, Project PRIN2017 “I-POLHYS Investigating POLarization in HYbrid media Systems” funded by the Ministry of University and Research, approved by the structure in the session of Thursday, March 12, 2020.

The activities shall be carried out under the supervision of a tutor identified by the structure as Prof. PROF. AUGUSTO VALERIANI, in a non-subordinate relationship with no set working hours.

The main place of work will be: DIPARTIMENTO DI SCIENZE POLITICHE E SOCIALI , Strada Maggiore 45 40125 BOLOGNA

Art. 2 - Requirements for candidacy

The selection is open to candidates in possession of the following qualification:
- Master Degree / specialist or old system or equivalent in with appropriate scientific and professional curriculum.
- Competences/requirements laid down for candidates: Desired experiences and skills: - Training and/or experience in quantitative methods for social and political sciences, with a specific reference to survey methods, panel and longitudinal data analyses; - Experience in designing questionnaires, especially on topics related to media diets, political participation and, electoral behaviours; - Experience in preparing and fielding surveys to large samples; - Experience in Datasets and database implementation and management; - Knowledge of software for statistical analysis (specifically Stata and R).

Candidates must possess the admission requirements on the deadline for submission of applications laid down in this call. Candidates who do not possess the admission requirements will not be considered.

The selection is not open to any persons who are related by blood or by marriage up to the fourth degree, to a professor working in the department or structure for which the call is issued, or to the Rector, Director General or a member of the Board of Governors of the University.

The selection is also not open to anyone who has held research fellowship contracts with any institution, pursuant to Italian Law no. 240/2010, for a period which, summed to the foreseen duration of this contract, exceeds a total of 6 years, excluding any period in which the contract coincided with a PhD without scholarship, for the maximum limit of the legal duration of the PhD programme.

Furthermore the selection is not open to anyone who has had research fellowship or fixed-term researcher contracts at the University of Bologna or any other state-funded, private-funded or distance-learning Italian university pursuant to articles 22 and 24 of Italian Law 240/2010, or with any other body listed in paragraph 1 of Art. 22 of Italian Law 240/2010 for a period which, summed to the foreseen duration of this contract, exceeds a total of 12 years, even if not consecutive. For the purposes of the duration of the above-described periods, in compliance with the laws in force any periods of maternity or sick leave shall not be calculated.

Art. 3 - Application

Applications may only be submitted online by accessing the website: https://concorsi.unibo.it, after completing the registration process, following the web procedure instructions. The last day available to submit the application is Monday, April 06, 2020 at 23:59 - Europe/Brussels; applications submitted after this time will not be considered. The date shown on the receipt sent electronically to the candidate is deemed to be the date of the application submission.

Any communications will be sent to candidates exclusively via email, to the address provided in the application.

In the online application, following the web procedure instructions, candidates must indicate, under their own responsibility:
- surname and name;
- date and place of birth;
- nationality;
- residence and chosen address for correspondence for the purposes of this selection;
- that they do not have a criminal record and are not involved in any current criminal proceedings (or if so, state which);
- that they have the qualification required by art. 2 of the call for applications, specifying the University and year in which it was obtained;
that they possess an academic qualification obtained abroad, which is deemed equivalent.

The candidates in possession of a qualification obtained abroad must annex to their applications a translation into Italian of their foreign qualification, accompanied by a sworn statement that it is a faithful translation of the original certificate.

The foreign qualification may be declared admissible by the Evaluation Board, solely for the purposes of admission to the selection procedure.

In case of award, the winning candidates having obtained their qualification in a country outside of the European Union, must provide the Structure, in the same manner as laid down for the presentation of applications, the official translation with a declaration of value of the foreign qualification issued by the competent diplomatic representation or Italian consulate in their home country, in accordance with the applicable laws, within 60 days from the notification of official approval of the selection procedure reports. If the documents are not received by the Structure within the stated deadline, the candidate will not be awarded the contract.

Candidates must also enclose the following with their applications:
- copy of a valid identity document;
- their scientific and professional curriculum vitae also containing scientific productivity;
- possible scientific publications, articles or doctoral thesis
- Letter of recommendation from teachers and researchers belonging to other Universities/Research centres.

Candidates are admitted to the selection procedure with reserve.

At any time, even after participation in any tests, the Administration may, with justification, exclude them from the selection procedure. The concerned candidate will be notified of such exclusion.

Art. 4 - Comparative assessment of the candidates and the Evaluation Board

The candidates will be assessed comparatively by an Evaluation Board appointed by the Board of the Structure, and formed at least three members qualified in the field of research to which the call for applications refers.

The selection procedure focuses on the examination of the selection criteria laid down in advance by the evaluation board, the candidates' scientific-professional curriculum containing also the scientific work and publications as well as an interview, aiming to verify the suitability of the candidate for carrying out the research programme.

During the interview, the Board will also verify the candidates' knowledge of the foreign language(s) on relevant sectoral topics.

The list of candidates admitted to interview will be published on the following notice board: DIPARTIMENTO DI SCIENZE POLITICHE E SOCIALI , Strada Maggiore 45, city BOLOGNA, on (date) Friday, April 10, 2020.
The list of candidates admitted to interview will be also published on the site calls, tenders and competitions https://bandi.unibo.it/ricerca/assegni-ricerca.

For information contact the phone number 051/2092501/09(from 9,00 to 13,00).

The interview will take place on Thursday, April 16, 2020 at DIPARTIMENTO DI SCIENZE POLITICHE E SOCIALI, Strada Maggiore 45 BOLOGNA, time: 10,00.

Candidates will have to undertake the oral examination, via a Skype audio and video conference call.

Candidates must provide their Skype contact and ensure that the workstation from which the interview will take place is equipped with a webcam - essential for the recognition of the candidate - as well as a microphone and earphones / speakers.

To this end, candidates admitted to the interview are invited to promptly contact the Examining Board at the following e-mail address: sps.direttore.mbx@unibo.it

At the beginning of the online interview, candidates must present to the Examining Board the same identity document sent with their application.

The remote interviews will be held according to the order and schedule defined by the Examining Board.

To be admitted for interview, the candidates must present a valid ID document.

At the end of the selection procedure, the Board will draw up a list of candidates with relative scores, , for a period of 5 months .

Candidates will preferably have a PhD or medical specialisation school diploma.
If two candidates receive the same scores, preference will be given to the younger candidate.
The Head of the Structure shall confirm in writing his/her approval of the list drawn up by the Board which will be published on https://bandi.unibo.it/ricerca/assegni-ricerca.

The list of candidates may be used to award other research contracts within the same research project, also of a lesser duration than that indicated in the call for applications and in any case no less than one
Art. 5 - Duration and amount of the contract

The contract has a duration of 12 months and may be renewed and/or extended in the terms laid down in the University Regulation concerning research fellowships, as issued by D.R. no. 416 of 19/04/2011.

The gross amount of the research fellowship contract is € 19,540.79 per annum. The amount is exempt of withholding tax and includes all statutory social security charges the Research Fellow is subject to.

The amount will be paid in deferred monthly payments.

The Research Fellow is provided with accident insurance, against payment of the required contribution which will be withheld from the first monthly instalment.

Art. 6 – Contract signature

The winning candidate will be invited to sign a research contract with the Structure within Friday, May 15, 2020.

The non-acceptance within the deadline notified by the structure shall lead to the forfeiture of the right to sign the contract.

Art. 7 - Rights and Duties

a) The contract is governed by the following regulations concerning leave: for obligatory maternity leave, the provisions laid down in the Decree of the Ministry of Labour and Social Welfare of 12 July 2007, published in the Official Journal no. 247 of 23 October 2007, and, for sick leave, article 1, paragraph 788, of Italian law no. 296 of 27 December 2006 and amendments.

b) The research activities are carried out under the supervision of the tutor, in a non-subordinate relationship with no fixed working hours. The research fellow shall personally carry out the required activities laid down in the Activity Programme without any substitution.

c) Research Fellows assigned to medical and clinical subject areas: the Research Fellow may carry out care activities exclusively for the purposes and needs of the research project, in the methods and limits laid down in the contract, or, in the case of activities carried out in healthcare structures, as laid down in specific agreements between the university and the health board.

d) The Research Fellow may spend a period of study abroad, in line with a programme agreed with the department and with expenses borne by the department, without prejudice to the possibility to obtain specific funding.

Art. 8 - Regulations concerning Intellectual Property

Industrial Property rights over the results achieved by the Research Fellow in the execution of activities undertaken on behalf of the University, including but not limited to industrial inventions, models, drawings, plant varieties, as well as the intellectual and industrial property rights deriving from the production of software or databases (“Results”), belong exclusively to the University, which may freely use them also within agreements made by the departments with third parties, without prejudice to the moral rights of the Research Fellow who shall be acknowledged as the author or inventor.

The Research Fellow has the right to publish the Results of his/her research activities, provided that the publication does not prejudice the rights of the University over the protection of the Results.

The Research Fellow therefore undertakes to promptly notify the achievement of the results to the tutor, who shall verify the existence of any such prejudice.

In any case the Research Fellow undertakes to sign a specific Undertaking of Confidentiality with the referred Structure, which will be annexed to the contract.

Art. 9 - Non-accumulation, incompatibility, leave

1. The position of research fellow is incompatible with the following positions:

a) fixed-term and full-time staff employed by the bodies listed in art. 22 para. 1 of Italian Law no. 240/2010;

b) persons employed by any private bodies, on a fixed term, permanent or part-time basis; For staff of any Public Administration other than those listed in letter a) refer to the provisions of point 2 below;

c) persons with fixed-term research contracts with any university;

d) persons enrolled in any first, second or single cycle degree programmes, PhD programmes with scholarships or specialisation school. Self-funded research contracts are compatible with enrolments in non-medical specialisation schools, for which no study grant or contract is foreseen or master’s degree only where authorised in advance by the structure Director, and having sought the opinion of the tutor.

e) persons awarded research fellowships at any other body.

2. Employees of public administrations other than those listed in point a) with a fixed-term, permanent or part-time contract shall take unpaid leave of absence for the whole period of the research contract.

3. Freelance professional activities are compatible with the research fellowship contract where authorised in advance by the Board of the structure, with the motivated opinion of the tutor and having verified that the activities in addition to the research fellowship do not prejudice the regular execution of the contract.

4. The accumulation of the research fellowship contract with study grants awarded for any purpose is not permitted, with the exception of those granted by national or foreign institutions for the purposes of
integrating the research activities with study periods abroad.

5. The above requirements must be possessed from the moment of entry into force of the contract. The winning candidate shall sign a specific affidavit undertaking to notify the department of any variations in the declared situations as soon as they occur.

**Art. 10 – Forfeiture**

Any candidate who within the deadline notified by the structure does not sign the contract, unless for promptly and duly demonstrated reasons of health or force majeure, shall forfeit the right to sign the contract.

**Art. 11 - Reference norms**

For any matters not laid down in this call for applications, refer to the Regulation on Research Fellows issued by the University of Bologna by Rectoral Decree no. 416 dated 19.04.2011 and other statutory regulations in force.

The personal data provided by the candidates in their applications, pursuant to General Data Protection Regulation- Regulation (EU) 2016/679, shall be processed for the purposes of managing the selection procedure and the contract.

Selection procedure manager è il Prof. Filippo Andreatta.

For information of an administrative nature on this announcement please contact Francesco Lopriore, francesco.lopriore@unibo.it, 0512092509/2092501.

This call for applications will be published on the University Portal, the MIUR website and the European Mobility Portal.

Date, Friday, March 20, 2020
